Friend  
I am of 2 lines and come  
recusal. I have kept no. 1, 3, 5, 6, and 7  
of those sent on approval, amounting  
to \$3.50. and return nos. 2, 4, and 8. amounting  
to \$2.50. Inclosed please find \$2.75  
which with .75 you owe to my credit  
will pay for those I have kept.  
I would like to get a few varieties  
of the ancient Greek, Roman and Egyptian  
coins and if you have some common  
varieties that are not very high priced  
I would like to have you send some  
on approval. I am confining my collection  
mainly to American and Colonial coins but  
a few of those old pieces add to the interest  
of a collection.

Yours truly
